GCC Project Request for Registration Form

GCC Project Request for Registration Form (RFRF)

Complete this form in accordance with the instructions attached at the end of this form.

By submitting this signed form (as required by paragraph 36 h of Program Process, V4.0), the 'Authorized Project Owner and focal point' declares that:

- It is authorized to act on behalf of the legal owner of the project and on behalf of all other Project Owners and is as per the terms and conditions stated in the submitted letter of Authorization or Nomination;
- it has the authority, as per clause (a) above, and therefore authorizes the GCC Project Verifier to submit the 'Request for Registration' of the proposed GCC Project, including the required documents to the GCC Program (as per the Program Process); and
- in undertaking the verification of the proposed GCC project activity, they have ensured that the GCC Project Verifier has no financial interest related to the project activity, and therefore such verification activity does not constitute a conflict of interest that is incompatible with the role of a GCC Verifier under the GCC Program.
